

Bill Johnson was born and raised on family farms, where he learned early the values of hard work, honesty, and sacrifice.

Johnson entered the U.S. Air Force in 1973 and retired as a Lieutenant Colonel after a distinguished military career of more than 26 years.

Following his retirement from military service, Johnson turned to creating and building high technology businesses and also served in the executive leadership team as Chief Information Officer of a global manufacturing company.

In 2010, Johnson was elected to his first term to represent the people of Ohio's 6th Congressional District, which now covers much of Eastern Ohio. He was reelected to his seventh term in November of 2022.

Since first taking office, Johnson has been fighting to create jobs in rural Ohio, improve services to our nation's heroes - our veterans, and to make our federal government more effective, efficient, and accountable to the American people. He's working hard to ensure that our children and grandchildren are blessed with the same opportunities of previous generations. 23 bills authored by Johnson have been signed into law by presidents of both parties.

Congressman Johnson, and his wife LeeAnn, currently reside in Marietta, Ohio. Their son, Nathan, is an undergraduate at Youngstown State University. Johnson is also the proud parent of three grown children: Joshua, Julie, and Jessica, and is a grandfather of six.
